ALL BALFOUR CLASS RING PURCHASES INCLUDE A FREE RING LOSS PROTECTION PLAN™ TO COVER LOST OR STOLEN RINGS.

Excluding the Kendra Scott Collection, all stones and variations offered for these products are simulated birthstones. Depending on availability, simulated stones may be Zirconia by Swarovski® or other simulated birthstones. Simulated birthstones are laboratory-made, not mined gemstones. They have varying characteristics, such as hardness, different densities (weight-to-volume ratio), and "fire" or amount of color, which result in variations in overall appearance.
